TO THE MANAGEMENT + STAFF OF  
FACELIFT HOME IMPROVERS.

We recently decided to replace our old wooden windows with aluminium ones and we called FACELIFT HOME IMPROVERS.

Peter Wishart came to give us a quote, he was pleasant + professional he gave us some tips we hadn't considered, he made our choice very easy.

Ashley came first to replace our orange glass to take away the 70's look.

When Greg and the crew arrived they were on time, pleasant + professional + very skilled.

The job was finished in less than a day. There was absolutely no mess + we were delighted.

THANK YOU FACELIFT FOR AN

EXCELLENT JOB.

Kind Regards

HUGH + DOREEN McCOMISKIE
